

2018 USDA-Compliant Nutritional Information

OUR NUTRITIONAL VALUES: We provide a nutrition analysis* of our menu items to help you balance your meal with other foods you eat. Our goal is to provide you with the information you need to make sensible decisions about balance, variety and moderation in your diet. All nutrition information is based on average values for ingredients from Imo's suppliers and the USDA Nutrient Data Laboratory. Substitution of ingredients may alter nutritional values. Menu items vary at participating locations. Although this data is based on standard portion product guidelines, variation can be expected due to seasonal influences, minor differences in product assembly per pizzeria and other factors. Imo's Pizza, its franchisees and employees do not assume responsibility for a particular allergy, or sensitivity to any food provided by any of the franchised pizzerias. Please contact us for any other additional information at (314) 822-0443. This information is correct as of May 2018.

**2,000 calories a day is used for general nutrition advice, but calorie needs vary. Calorie and nutrient values are rounded as required by the Food and Drug Administration. This can produce irregularities among sizes. Product may not be available at all locations.*

OUR NUTRITIONAL VALUES: We provide a nutrition analysis of our menu items to help you balance your meal with other foods you eat. Our goal is to provide you with the information you need to make sensible decisions about balance, variety and moderation in your diet. All nutrition information is based on average values for ingredients from Imo's suppliers and the USDA Nutrient Data Laboratory. Substitution of ingredients may alter nutritional values. Menu items vary at participating locations. Although this data is based on standard portion product guidelines, variation can be expected due to seasonal influences, minor differences in product assembly per pizzeria and other factors. Imo's Pizza, its franchisees and employees do not assume responsibility for a particular allergy, or sensitivity to any food provided by any of the franchised pizzerias. OUR NUTRITIONAL VALUES: We provide a nutrition analysis of our menu items to help you balance your meal with other foods you eat. Our goal is to provide you with the information you need to make sensible decisions about balance, variety and moderation in your diet. All nutrition information is based on average values for ingredients from Imo's suppliers and the USDA Nutrient Data Laboratory. Substitution of ingredients may alter nutritional values. Menu items vary at participating locations. Although this data is based on standard portion product guidelines, variation can be expected due to seasonal influences, minor differences in product assembly per pizzeria and other factors. Imo's Pizza, it's franchisees and employees do not assume responsibility for a particular allergy, or sensitivity to any food provided by any of the franchised pizzerias. Please contact us for any other additional information at (314) 822-0443. This information is correct as of May 2018.*

**2000 calories a day is used for general nutrition advice, but calorie needs vary. Calorie and nutrient values are rounded as required by the Food and Drug Administration. This can produce irregularities among sizes. Product may not be available at all locations.*
